List No. 113 – Thursday 11th December 2008

Expires 31st December 2008

World & New Zealand Postcards

Recently we purchased a number of Postcards from the 1916 – 1920's. Most of the used ones are from soldiers writing back from France and Sling Camp in England. It does give an interesting insight into what was happening with many of these brave lads so far from home.

Next week will be the last Weekly list for 2008, with the list re-commencing on 8th January 2009
