Email List No. 2

Weekly E-Mail Message

Congratulations to all those who received Free Lighthouse 16 page stockbooks from our prize draw, and the one fortunate winner of the Gift Voucher for the sum of their purchase from last week's list. The four winners came from throughout the country – Taupo, Christchurch, Wairarapa and Feilding.

A sad moment was had at the shop on Tuesday afternoon when the last of the \$50 boxes and \$100 boxes from the Email List were sold. Those who bought one tended to come back for another and another... We may re-instigate these at a later time depending on time. However, In the meantime there are other great specials to choose from.

I have had a wonderful first week of owning the business. Amongst the many things to do the PNSC website has not been forgotten. The intention is to have the website allow you to view images of significant items on the Email List, and hopefully order on-line at the stated price. Rest assured, I will NOT be turning the business into an on-line bidding platform. The price you see is the price you pay.

I have decided to continue with the Free Give Away for one more week. Each client ordering from this weeks list No 2, will receive a FREE 2000 New Dawn 40c "missing logo" error stamp, unhinged mint.

Kindest Regards and Happy Collecting

Bruce Graves
